

💻 MY PROMPT ENGINEERING JOURNEY - STUDIO SETUP ✨

Dekho Prompt kaise kaam karta hai! 👇

📌 SIMPLE PROMPT (Jo maine ChatGPT ko diya):

> "Generat a professional studio photography this product"

⬅️ RESULT 1: Is se mujhe ye 1st wali normal picture mili. 😐

Phir maine Prompt Engineering se ye prompts likhwaye:

📌 PROMPT 1 - AFTER (Engineering Wala):

> Generate a luxury futuristic video-editing studio centered around a sleek black editing workstation with dual high-resolution monitors. Screens display cinematic footage, advanced video timelines, AI-generated imagery, motion graphics, VFX compositing, color grading, and futuristic creative interfaces. 💜💻
>
> Surround the workstation with subtle floating holographic timeline elements, AI visual icons, geometric motion-graphic shapes, data particles, and purple cinematic light streaks. Camera

angle: 3/4 front perspective, slightly above desk level, 35mm cinematic lens, deep focus, 8K resolution.

📌 PROMPT 2 - AFTER (Ultra-Premium Version):

> Create an ultra-premium commercial photograph of an advanced AI-powered video production workstation in a modern creative studio. The central monitor displays a polished cinematic editing environment combining video editing, motion graphics, VFX, AI-generated imagery, 3D elements, color grading. 🎬✨
>
> Surround with subtle holographic creative layers, floating keyframes, geometric motion graphics, waveform elements, and elegant purple light trails. Use straight-on hero camera angle, 40mm lens, realistic proportions.

➡️ AFTER RESULTS: In 2 prompts se mujhe ye pro-level studio wali pictures mili!

💄 MY PROMPT ENGINEERING JOURNEY - LUMÉRA BEAUTY ✨

Simple Prompt vs Engineered Prompts ka Result Dekho! 👇

📌 SIMPLE PROMPT (Jo maine ChatGPT ko diya):

> "Generat a professional studio photography this product"

⬅️ BEFORE PIC: Is simple prompt se mujhe 1st wali normal si picture mili. 😐

Phir maine Prompt Engineering se ye 3 pro prompts likhwaye:

📌 PROMPT 1 - AFTER / HIGH-END STUDIO CAMPAIGN:

> Use the uploaded product image as the exact visual reference for the LUMÉRA lipstick and lip gloss. Create a high-end professional studio beauty campaign photograph featuring both products as the hero subjects. Preserve the exact packaging shape, proportions, black caps, transparent gloss tube, silver pencil, typography, and product colors. 💄🌸
>
> Arrange elegantly on a glossy pale-pink acrylic surface. Surround with soft pink seashells, delicate rose petals, and pink cream swatch. 3/4 front angle, 85mm macro lens, softbox lighting, 8K.

📌 PROMPT 2 - AFTER / MINIMALIST LUXURY:

> Generate a minimalist luxury studio product photograph using the uploaded LUMÉRA lipstick and lip gloss as the exact visual reference. Keep packaging completely accurate. Place both products on a smooth light pink-to-white gradient surface, with one elegant pink lipstick swatch and translucent gloss swatch behind them. 🤍✨
>
> Add only a few refined small seashells and pearl accents. Straight-on frontal, centered composition.

📌 PROMPT 3 - AFTER / PREMIUM EDITORIAL:

> Create a premium editorial cosmetics product photograph using the uploaded LUMÉRA lipstick and lip gloss as the exact product reference. Place lipstick standing upright beside gloss, surrounded by elegant white and blush-pink seashells, small pearls, and subtle pink swatches. 💅💖
>
> Add large smooth glossy pink lipstick smear behind as artistic backdrop. Low 3/4 angle, making products look tall & luxurious. 85mm macro lens, shallow depth of field.

➡️ AFTER PICS: In 3 prompts se mujhe ye premium studio wali results mili!
